DOLCE SALON & SPA NAMED ONE OF THE FASTEST GROWING COMPANIES IN ARIZONA

Dolce Salon & Spa Recognized In BizAZ Magazine As One Of Arizona's 2006 "Hot Growth" Companies

CHANDLER, Ariz – (November, 29 2005) – The annual "Hot Growth" awards presented by BizAZ magazine, Arizona's leading source in business news, recently named Dolce Salon & Spa as one of it's honoree. The Hot Growth Companies are judged on factors including revenue, marketing innovation and industry excellence. Dolce's Founder and Director of Operations, Brandi Nuttall, graced the cover of the Hot Growth Issue. Nuttall was the youngest as well as only female out of the ten business owners publicized in the magazine.

In addition, Nuttall's story is told in a informative article that hails Nuttall's remarkable success story and describes her successful salon as a "rapidly growing empire." The Hot Growth Metric states that in the U.S. large salons have annual revenues of less then \$250,000. Dolce's sales exceeded \$5 million in 2004. It seems BizAZ was so struck by Dolce, specifically our fearless leader, they chose to feature Brandi on the cover of the issue. Dolce was recognized at the 2005 Hot Growth Awards Dinner where Brandi graciously accepted her award, assuring the room "you will see us again."

"It is extra rewarding to be recognized by a business publication," says Nuttall. "Although we have won awards in the salon industry, it is such great feeling to be acknowledged among such well run companies. I believe that the success of Dolce comes from applying similar business strategies and practices. Being the only woman and the youngest amongst such an esteemed group of professionals is truly a honor."

In September Dolce opened Dolce Med Spa offering clients an opportunity for complete rejuvenation through a variety of esthetic procedures. Dolce Barber and Spa will open in December catering exclusively to men. In 2006 Dolce will open a salon and spa location in the newly renovated Borgata. In addition, a location housing all three companies, Dolce Salon & Spa, Dolce Med Spa, and Dolce Barber & Spa will premier in Arrowhead early 2007.
